SHIPPING TO CANADA-CANADA CUSTOMS/NAFTA DOCUMENTS REQUIRED

This order acknowledgement contains cable assemblies for which Dart Aerospace has requested to receive a prototype shipment of 1 piece along with an AS9102 First Article Inspection Report prior to the commencement of the production quantity build. As a result, Positronic has scheduled the shipment of one prototype piece (FA unit) and the inspection report (FAIR) at the lead time quoted for your cable assembly.

After Dart Aerospace acknowledges the FA unit meets the criteria to which it was built, by signing the acceptance paperwork which will accompany the shipment, the production quantity will be built to ship at a reduced lead time.

For PO24007 FA units are scheduled to ship in 8 weeks, and after receipt of a customer signed FAIR a 6 week production lead time for cables on PO24054 will begin.

The production lead time does not begin until the First Article Inspection Report is returned signed by the customer. The date of 07/31/2020 is used on your order acknowledgement to indicate production lines for which lead time has not yet begun, pending FA Unit/ FAIR shipment and approval.

Notwithstanding any terms and conditions on Buyer's order, the information and conditions on the Credit Application are controlling over Buyer and Seller. Any conflicting statements or terms listed on the Buyer purchase orders, invoice, confirmations or other Buyer generated documents ("Buyer Documents") whether heretofore or hereafter submitted are negated by submission of the Credit Application and the issuance of credit by Seller, and all different or additional terms and conditions contained in any Buyer Documents are hereby objected to by Seller. Seller's performance of any contract is expressly made conditional on Buyer's agreement to Seller's Terms and Conditions of Sale, unless otherwise specifically agreed in writing by Seller. In the absence of such agreement, commencement of performance and/or delivery shall be for Buyer's convenience only and shall not be deemed or construed to be acceptance of Buyer's terms and conditions, or any of them. If a contract is not earlier formed by mutual agreement in writing, acceptance by Buyer of any goods or services shall be deemed acceptance by Buyer of the terms and conditions stated herein. BUYER agrees to comply with all applicable U.S. export control laws and regulations, specifically including, but not limited to, the requirements of the Arms Export Control Act, 22 U.S.C. 2751-2794, including the International Traffic in Arms Regulations (ITAR), 22 C.F.R. 120 et seq.; the Export Administration Act, 50 U.S.C. app. 2401-2420, including the Export Administration Regulations, 15 C.F.R. 730-774, including the requirement for obtaining any export license or agreement, if applicable; and, compliance with Office of Foreign Assets Control (OFAC) economic and trade sanctions against targeted foreign countries and regimes, terrorists, international narcotics traffickers, those engaged in activities related to the proliferation of weapons of mass destruction, and other threats to the national security of the United States as set forth in Appendix A to 31 C.F.R. Chapter V and on OFAC's web site at <http://www.ustras.gov/offices/enforcement/ofac>. Without limiting the foregoing, BUYER further agrees that it will not transfer any export controlled item, data, or services, to include transfer to foreign persons employed by or associated with, or under contract to BUYER, without the authority of an export license, agreement, or applicable exemption or exception. BUYER shall immediately notify SELLER if BUYER is, or becomes, listed in any Denied Parties List or if BUYER's export privileges are otherwise denied, suspended or revoked in whole or in part by any U.S. Government entity or agency. If BUYER is engaged in the business of exporting defense articles or furnishing defense services, BUYER represents that it is registered with the Directorate of Defense Trade Controls, as required by the ITAR, and it maintains an effective, export/import compliance program in accordance with the ITAR. **COMPLIANCE WITH EXECUTIVE ORDER 11246:** TTI fully incorporates by reference, and is bound by and subject to, the provisions set forth in 41 C.F.R. 60-1.4(a). **YOU ARE HEREBY NOTIFIED** that acceptance of this contract constitutes (1) your agreement to be bound by the requirements, regulations, and provisions contained in 41 C.F.R. 60-1.4(a), to the extent required by law, and (2) your consent to provide any required certification of same to TTI, at TTI's request.

Limitation of Liability per Shipment

BUYER agrees that SELLER shall in no event be liable for any loss, damage, expense or delay to the goods for any reason except to the extent caused by its negligence or willful misconduct. BUYER has the option of paying special compensation to increase the liability for the shipment in case of any loss, damage, expense or delay, but such options can be exercised only by specific written agreement made with SELLER prior to shipment, which agreement shall indicate the limit of liability and the additional compensation for the added liability to be assumed.

RE: CERTIFICATE OF COMPLIANCE FOR EU RoHS DIRECTIVE

To Whom It May Concern:

As stated within the European Union Directive 2011/65/EU, restrictions are placed on the use of certain hazardous substances in electrical and electronic equipment. These materials include the following: lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBB), and polybrominated diphenyl ethers (PBDE).

More specifically, the aforementioned substances (with some exceptions) cannot be present in quantities greater than 0.1% by weight (0.01% for cadmium). This directive is commonly referred to as RoHS, the Restriction of Hazardous Substances.

Sumitomo Bakelite North America, Inc. (SBNA) has verified compliance with the RoHS Directive through a combination of methodologies, including formulary review, engineering calculations, review of manufacturers' supplied Safety Data Sheets, and via communication with certain vendors where RoHS substances would most likely be found.

After careful review, Sumitomo Bakelite North America, Inc. is pleased to provide this certificate of RoHS compliance for compounds supplied to Positronics. Specifically, this RoHS Compliance Certification covers the following compound(s):

RX 3-1-525F-P Green
RX 3-1-525F-P Gray

If you have any further regulatory questions, please email the undersigned at sbrescia@sbna-inc.com.

ACCEPTANCE AND CANCELLATION OF ORDERS.

Each order for goods is subject to acceptance in writing by a duly authorized agent of seller; any written acknowledgement of receipt of an order shall not, in and of itself, constitute such acceptance. Orders accepted by Seller may be cancelled by Buyer upon written consent of Seller. In the event of cancellation or other withdrawal of an order for any reason and without limiting any other remedy which Seller may have as a result of such cancellation or other withdrawal, reasonable cancellation or restocking charges, which shall include all expenses then incurred and commitments made by Seller, shall be paid by Buyer to Seller. Special orders for items not normally stocked are non-cancelable and non-refundable.

DISCLAIMER OF WARRANTIES AND LIMITATION OF REMEDIES.

Seller disclaims any warranty respecting the merchantability of the products sold to Buyer or their fitness for any particular purpose or use. Seller agrees to transfer to Buyer whatever transferable warranties Seller receives from the manufacturer of products sold to Buyer. Value-added work performed by Seller will conform to applicable Buyer's specifications relating to such work.

THE WARRANTIES STATED HEREIN ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES WHETHER STATUTORY, EXPRESS OR IMPLIED.

Seller's liability arising out of any sale of goods to Buyer is expressly limited to either (1) Refund of the purchase price paid by Buyer for such goods (without interest), or (2) Repair and/or replacement of such goods, at Seller's election, and such remedies shall be exclusive and in lieu of all others. **IN NO EVENT SHALL SELLER BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY NATURE, INCLUDING BUT NOT LIMITED TO, PERSONAL INJURY OR PROPERTY DAMAGE.** Buyer's recovery from Seller for any claim shall not exceed the purchase price paid by Buyer for the goods, irrespective of the nature of the claim, whether in warrant, contract or otherwise. Any action resulting from any breach on the part of Seller as to the goods delivered hereunder must be commenced within one (1) year after the receipt of goods by Buyer.

BUYER'S TERMS AND CONDITIONS.

Seller desires to provide its customers with prompt and efficient service. Accordingly goods furnished and services rendered by Seller are sold only on the terms and conditions stated herein. Notwithstanding any terms and conditions on Buyer's order, the information and conditions on the Credit Application are controlling over Buyer and Seller. Any conflicting statements or terms listed on the Buyer purchase orders, invoice, confirmations or other Buyer generated documents ("Buyer Documents") whether heretofore or hereafter submitted are negated by submission of the Credit Application and the issuance of credit by Seller, and all different or additional terms and conditions contained in any Buyer Documents are hereby objected to by Seller. Seller's performance of any contract is expressly made conditional on Buyer's agreement to Seller's Terms and Conditions of Sale, unless otherwise specifically agreed in writing by Seller. In the absence of such agreement, commencement of performance and/or delivery shall be for Buyer's convenience only and shall not be deemed or construed to be acceptance of Buyer's terms and conditions, or any of them. If a contract is not earlier formed by mutual agreement in writing, acceptance by Buyer of any goods or services shall be deemed acceptance by Buyer of the terms and conditions stated herein. BUYER agrees to comply with all applicable U.S. export control laws and regulations, specifically including, but not limited to, the requirements of the Arms Export Control Act, 22 U.S.C. 2751-2794, including the International Traffic in Arms Regulations (ITAR), 22 C.F.R. 120 et seq.; the Export Administration Act, 50 U.S.C. app. 2401-2420, including the Export Administration Regulations, 15 C.F.R. 730-774, including the requirement for obtaining any export license or agreement, if applicable; and, compliance with Office of Foreign Assets Control (OFAC) economic and trade sanctions against targeted foreign countries and regimes, terrorists, international narcotics traffickers, those engaged in activities related to the proliferation of weapons of mass destruction, and other threats to the national security of the United States as set forth in Appendix A to 31 C.F.R. Chapter V and on OFAC's web site at <http://www.ustras.gov/offices/enforcement/ofac>. Without limiting the foregoing, BUYER further agrees that it will not transfer any export controlled item, data, or services, to include transfer to foreign persons employed by or associated with, or under contract to BUYER, without the authority of an export license, agreement, or applicable exemption or exception. BUYER shall immediately notify SELLER if BUYER is, or becomes, listed in any Denied Parties List or if BUYER's export privileges are otherwise denied, suspended or revoked in whole or in part by any U.S. Government entity or agency. If BUYER is engaged in the business of exporting defense articles or furnishing defense services, BUYER represents that it is registered with the Directorate of Defense Trade Controls, as required by the ITAR, and it maintains an effective export/import compliance program in accordance with the ITAR. **COMPLIANCE WITH EXECUTIVE ORDER 11246:** TTI fully incorporates by reference, and is bound by and subject to, the provisions set forth in 41 C.F.R. 60-1.4(a). **YOU ARE HEREBY NOTIFIED** that acceptance of this contract constitutes (1) your agreement to be bound by the requirements, regulations, and provisions contained in 41 C.F.R. 60-1.4(a), to the extent required by law, and (2) your consent to provide any required certification of same to TTI, at TTI's request.

Limitation of Liability per Shipment

BUYER agrees that SELLER shall in no event be liable for any loss, damage, expense or delay to the goods for any reason except to the extent caused by its negligence or willful misconduct. BUYER has the option of paying special compensation to increase the liability for the shipment in case of any loss, damage, expense or delay, but such options can be exercised only by specific written agreement made with SELLER prior to shipment, which agreement shall indicate the limit of liability and the additional compensation for the added liability to be assumed.

ACCEPTANCE AND CANCELLATION OF ORDERS.

Each order for goods is subject to acceptance in writing by a duly authorized agent of seller; any written acknowledgement of receipt of an order shall not, in and of itself, constitute such acceptance. Orders accepted by Seller may be cancelled by Buyer upon written consent of Seller. In the event of cancellation or other withdrawal of an order for any reason and without limiting any other remedy which Seller may have as a result of such cancellation or other withdrawal, reasonable cancellation or restocking charges, which shall include all expenses then incurred and commitments made by Seller, shall be paid by Buyer to Seller. Special orders for items not normally stocked are non-cancelable and non-refundable.

DISCLAIMER OF WARRANTIES AND LIMITATION OF REMEDIES.

Seller disclaims any warranty respecting the merchantability of the products sold to Buyer or their fitness for any particular purpose or use. Seller agrees to transfer to Buyer whatever transferable warranties Seller receives from the manufacturer of products sold to Buyer. Value-added work performed by Seller will conform to applicable Buyer's specifications relating to such work. **THE WARRANTIES STATED HEREIN ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES WHETHER STATUTORY, EXPRESS OR IMPLIED.**

Seller's liability arising out of any sale of goods to Buyer is expressly limited to either (1) Refund of the purchase price paid by Buyer for such goods (without interest), or (2) Repair and/or replacement of such goods, at Seller's election, and such remedies shall be exclusive and in lieu of all others. **IN NO EVENT SHALL SELLER BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY NATURE, INCLUDING BUT NOT LIMITED TO, PERSONAL INJURY OR PROPERTY DAMAGE.** Buyer's recovery from Seller for any claim shall not exceed the purchase price paid by Buyer for the goods, irrespective of the nature of the claim, whether in warrant, contract or otherwise. Any action resulting from any breach on the part of Seller as to the goods delivered hereunder must be commenced within one (1) year after the receipt of goods by Buyer.

BUYER'S TERMS AND CONDITIONS.

Seller desires to provide its customers with prompt and efficient service. Accordingly goods furnished and services rendered by Seller are sold only on the terms and conditions stated herein. Notwithstanding any terms and conditions on Buyer's order, the information and conditions on the Credit Application are controlling over Buyer and Seller. Any conflicting statements or terms listed on the Buyer purchase orders, invoices, confirmations or other Buyer generated documents ("Buyer Documents") whether heretofore or hereafter submitted are negated by submission of the Credit Application and the issuance of credit by Seller, and all different or additional terms and conditions contained in any Buyer Documents are hereby objected to by Seller. Seller's performance of any contract is expressly made conditional on Buyer's agreement to Seller's Terms and Conditions of Sale, unless otherwise specifically agreed in writing by Seller. In the absence of such agreement, commencement of performance and/or delivery shall be for Buyer's convenience only and shall not be deemed or construed to be acceptance of Buyer's terms and conditions, or any of them. If a contract is not earlier formed by mutual agreement in writing, acceptance by Buyer of any goods or services shall be deemed acceptance by Buyer of the terms and conditions stated herein.

BUYER agrees to comply with all applicable U.S. export control laws and regulations, specifically including, but not limited to, the requirements of the Arms Export Control Act, 22 U.S.C. 2751-2794, including the International Traffic in Arms Regulations (ITAR), 22 C.F.R. 120 et seq., the Export Administration Act, 50 U.S.C. app. 2401-2420, including the Export Administration Regulations, 15 C.F.R. 730-774, including the requirement for obtaining any export license or agreement, if applicable; and, compliance with Office of Foreign Assets Control (OFAC) economic and trade sanctions against targeted foreign countries and regimes, terrorists, international narcotics traffickers, those engaged in activities related to the proliferation of weapons of mass destruction, and other threats to the national security of the United States as set forth in Appendix A to 22 C.F.R. Chapter V and on OFAC's web site at <http://www.ustr.gov/offices/enforcement/ofac>. Without limiting the foregoing, BUYER further agrees that it will not transfer any export controlled item, data, or services, to include transfer to foreign persons employed by or associated with, or under contract to BUYER, without the authority of an export license, agreement, or applicable exemption or exception. BUYER shall immediately notify SELLER if BUYER is, or becomes, listed in any Denied Parties List or if BUYER's export privileges are otherwise denied, suspended or revoked in whole or in part by any U.S. Government entity or agency. If BUYER is engaged in the business of exporting defense articles or furnishing defense services, BUYER represents that it is registered with the Directorate of Defense Trade Controls, as required by the IAR, and it maintains an effective export/import compliance program in accordance with the IAR. **COMPLIANCE WITH EXECUTIVE ORDER 11246:** TTI fully incorporates by reference, and is bound by and subject to, the provisions set forth in 41 C.F.R. 60-1.4(a). **YOU ARE HEREBY NOTIFIED** that acceptance of this contract constitutes (1) your agreement to be bound by the requirements, regulations, and provisions contained in 41 C.F.R. 60-1.4(a), to the extent required by law, and (2) your consent to provide any required certification of same to TTI, at TTI's request.

Limitation of Liability per Shipment

BUYER agrees that SELLER shall in no event be liable for any loss, damage, expense or delay to the goods for any reason except to the extent caused by its negligence or willful misconduct. BUYER has the option of paying special compensation to increase the liability for the shipment in case of any loss, damage, expense or delay, but such option can be exercised only by specific written agreement made with SELLER prior to shipment, which agreement shall indicate the limit of liability and the additional compensation for the added liability to be assumed.

TERMS AND CONDITIONS OF SALE

1. Acceptance; Agreement. This Agreement, including these Terms and Conditions, supersedes all other agreements, oral or written, and all other communications between the parties suggesting additional or different terms. It represents the final and complete understanding of the parties and may be amended or cancelled only by written agreement signed by both parties. This Agreement expressly limits acceptance to these terms. No order shall have any force or effect until acknowledged in writing by Seller. Any proposal for additional or different terms or any attempt by Buyer to vary in any degree any of the terms hereof is hereby deemed material and is objected to and rejected. No terms of any document or form submitted by Buyer shall be effective to alter or add to the terms and conditions in this Agreement. Buyer shall be deemed to have agreed to such revision unless Buyer rejects such price revision by written notice within ten (10) days after receipt of such notice. Buyer's rejection of such a price revision shall give Seller the option of either cancelling that portion of the order to which the price revision is applicable or completing the order at the original price.
3. Terms of Payment. Unless otherwise agreed in writing by Seller, terms of sale are net 30 days.
4. Taxes. Prices do not include any sales, use, excise, privilege, or other taxes or assessments now or hereafter imposed or levied by or under the authority of any federal, state, or local law, rule, or regulation concerning the Goods sold hereunder or the manufacture or sale thereof are the sole responsibility of Buyer.

In no case will Seller be liable for any bodily injury, death, or property damage resulting from or in any way arising out of the Goods of their sale, use, or manufacture. IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES, OR EXPENSES ARISING OUT OF THIS TRANSACTION.

TERMS AND CONDITIONS OF SALE

1. Acceptance Agreement. This Agreement, including these Terms and Conditions, supersedes all other agreements, oral or written, and all other communications between the parties suggesting additional or different terms. It represents the final and complete understanding of the parties and may be amended or cancelled only by written agreement signed by both parties. This Agreement expressly limits acceptance to these terms. No order shall have any force or effect until acknowledged in writing by Seller. Any proposal for additional or different terms or any attempt by Buyer to vary in any degree any of the terms hereof is hereby deemed material and is objected to and rejected. No terms of any document or form submitted by Buyer shall be effective to alter or add to the terms and conditions in this Agreement. Unless otherwise stated herein, Buyer's receipt of any portion of the goods ("Goods") shall constitute acceptance of this Agreement and all of its terms and conditions, unless Buyer immediately returns all such Goods, with a Return Material Authorization.
2. Prices. Seller reserves the right to revise the price for all or part of any unshipped order by giving Buyer written notice of the revision in price not less than thirty (30) days prior to the effective date of the revision. Buyer shall be deemed to have agreed to such revision unless Buyer rejects such price revision by written notice within ten (10) days after receipt of such notice. Buyer's rejection of such a price revision shall give Seller the option of either cancelling that portion of the order to which the price revision is applicable or completing the order at the original price.
3. Terms of Payment. Unless otherwise agreed in writing by Seller, terms of sale are net 30 days.
4. Taxes. Prices do not include any sales, use, excise, privilege, or other taxes or assessments now or hereafter imposed or levied by or under the authority of any federal, state, or local law, rule, or regulation concerning the Goods sold hereunder or the manufacture or sale thereof are the sole responsibility of Buyer.
5. Risk of Loss. All risk of loss or damage to Goods shipped hereunder shall pass to Buyer upon delivery thereof to Buyer, to its designated agent, or to a carrier for delivery to Buyer, whichever occurs first. Unless otherwise stated, all shipments will be made F.O.B. point of manufacture.
6. Delivery. All shipping and delivery dates are estimates based upon prompt receipt of all necessary information. Delays in securing Buyer's approval of necessary specifications or samples of products and materials shall, if Seller so chooses, extend the date of delivery. Seller shall not be liable for any claim, loss, expense, or damage of any kind whatsoever for delays in delivery.
7. Limited Warranty.
 - a. Seller warrants that the Goods will conform to the specifications furnished by Seller or, if agreed to in writing by an authorized representative of Seller, specifications furnished by Buyer. Any specifications furnished by Seller must be approved in writing by Buyer before raw materials can be purchased or before Seller can manufacture the Goods.
 - b. Buyer is responsible for testing the Goods before installation. If Buyer determines that the Goods fail to conform to the applicable specifications, Buyer must notify Seller in writing within a reasonable amount of time to permit Seller to examine and test the goods. Seller may, at Seller's option, (I) replace the goods, (II) give the Buyer credit on a future order, or (III) refund the purchase price. This represents Buyer's sole remedy for any breach of warranty.
 - c. THESE ARE SELLER'S ONLY WARRANTIES. SELLER MAKES NO OTHER WARRANTY OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED. ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE ARE HERBY DISCLAIMED BY SELLER AND EXCLUDED.
 - d. Seller's liability to Buyer or anyone claiming through or on behalf of Buyer, with respect to any claim or loss arising out of this transaction or alleged to have resulted from an act or omission of Seller, whether negligent or otherwise, and whether in tort, contract, or otherwise, including failure to deliver, delay in delivery, or breach of warranty, shall be limited to an amount equal to the purchase price of the Goods with respect to which such liability is claimed or, where appropriate and at the option of Seller, to replacement of the Goods thereof. In no case will Seller be liable for any bodily injury, death, or property damage resulting from or in any way arising out of the Goods of their sale, use, or manufacture. IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES, OR EXPENSES ARISING OUT OF THIS TRANSACTION.
 - e. Seller reserves the right, at any time, to make changes in the design or specification of the Goods, or any part thereof, which Seller, in its sole discretion, believes will constitute an improvement in such Goods or parts thereof.
 - f. Seller is not liable for any alterations of the goods, improper maintenance, abuse of the goods, or Improper Installation.
8. Returns.
 - a. Any Goods to be returned to Seller must have Return Material Authorization number issued by Seller before being returned. Any Goods returned without a proper RMA number will not be accepted and will be returned to Buyer at Buyer's expense.
 - b. Any goods returned for Buyer's convenience must be returned as originally shipped. Damaged Goods cannot be returned. All transportation and other applicable charges for Buyer's convenience returns shall be responsibility of Buyer. Returns for customer convenience are limited to Goods shipped within 60 Days prior to the return request date and are subject to restocking charges.
 - c. Non-standard and specialty manufactured Goods will not be considered for return. Goods which are deemed non-conforming by Seller may be returned provided an RMA number is issued.
9. Cancellations. Order cancellations are subject to cancellation charges as deemed applicable by the Seller to cover all costs and expenses incurred prior to the cancellation of said order. Cancellation charges may include, but are not limited to, all costs and expenses incurred in producing the Goods (both completed and in process) and the cost of all items and special material purchased for such order. Cancellation charges may be the total cost of manufacturing the Goods.
10. Force Majeure. Seller shall not be liable for any delay in or failure of performance hereunder due to any contingency beyond its reasonable control, including without limitation: an act of God; war; civil commotion; sabotage; labor dispute; explosion; fire; accident; power or equipment failure; inability to obtain suitable or sufficient labor, fuel, power, or material; delay of carrier; embargo; or any law, ordinance, rule, or regulation, whether valid or invalid.
11. Quantity Variance. All orders will be shipped +/- 10% unless previously agreed to by Seller in writing.
12. Choice of Law Provisions. The terms and provisions of this agreement shall be construed in accordance with the laws of the State of Tennessee without regard for any rules on conflicts on laws.

TERMS AND CONDITIONS OF SALE

1. Acceptance: Agreement. This Agreement, including these Terms and Conditions, supersedes all other agreements, oral or written, and all other communications between the parties suggesting additional or different terms. It represents the final and complete understanding of the parties and may be amended or cancelled only by written agreement signed by both parties. This Agreement expressly limits acceptance to these terms. No order shall have any force or effect until acknowledged in writing by Seller. Any proposal for additional or different terms or any attempt by Buyer to vary in any degree any of the terms hereof is hereby deemed material and is objected to and rejected. No terms of any document or form submitted by Buyer shall be effective to alter or add to the terms and conditions in this Agreement. Unless otherwise stated herein, Buyer's receipt of any portion of the goods ("Goods") shall constitute acceptance of this Agreement and all of its terms and conditions, unless Buyer immediately returns all such Goods, with a Return Material Authorization.

Buyer shall be deemed to have agreed to such revision unless Buyer rejects such price revision by written notice within ten (10) days after receipt of such notice. Buyer's rejection of such a price revision shall give Seller the option of either cancelling that portion of the order to which the price revision is applicable or completing the order at the original price.
3. Terms of Payment. Unless otherwise agreed in writing by Seller, terms of sale are net 30 days.
4. Taxes. 7. Limited Warranty.
 - a. Seller warrants that the Goods will conform to the specifications furnished by Seller or, if agreed to in writing by an authorized representative of Seller, specifications furnished by Buyer. Any specifications furnished by Seller must be approved in writing by Buyer before raw materials can be purchased or before Seller can manufacture the Goods.
 - b. Buyer is responsible for testing the Goods before installation. If Buyer determines that the Goods fail to conform to the applicable specifications, Buyer must notify Seller in writing within a reasonable amount of time to permit Seller to examine and test the goods. Seller may, at Seller's option, (I) replace the goods, (II) give the Buyer credit on a future order, or (III) refund the purchase price. This represents Buyer's sole remedy for any breach of warranty.
 - c. THESE ARE SELLER'S ONLY WARRANTIES. SELLER MAKES NO OTHER WARRANTY OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED. ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE ARE HERBY DISCLAIMED BY SELLER AND EXCLUDED.
 - d. Seller's liability to Buyer or anyone claiming through or on behalf of Buyer, with respect to any claim or loss arising out of this transaction or alleged to have resulted from an act or omission of Seller, whether negligent or otherwise, and whether in tort, contract, or otherwise, including failure to deliver, delay in delivery, or breach of warranty, shall be limited to an amount equal to the purchase price of the Goods with respect to which such liability is claimed or, where appropriate and at the option of Seller, to replacement of the Goods thereof. In no case will Seller be liable for any bodily injury, death, or property damage resulting from or in any way arising out of the Goods of their sale, use, or manufacture. IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES, OR EXPENSES ARISING OUT OF THIS TRANSACTION.
 - e. Seller reserves the right, at any time, to make changes in the design or specification of the Goods, or any part thereof, which Seller, in its sole discretion, believes will constitute an improvement in such Goods or parts thereof.
 - f. Seller is not liable for any alterations of the goods, improper maintenance, abuse of the goods, or Improper Installation.
8. Returns.
 - a. Any Goods to be returned to Seller must have Return Material Authorization number issued by Seller before being returned. Any Goods returned without a proper RMA number will not be accepted and will be returned to Buyer at Buyer's expense.
 - b. Any goods returned for Buyer's convenience must be returned as originally shipped. Damaged Goods cannot be returned. All transportation and other applicable charges for Buyer's convenience returns shall be responsibility of Buyer. Returns for customer convenience are limited to Goods shipped within 60 Days prior to the return request date and are subject to restocking charges.
 - c. Non-standard and specialty manufactured Goods will not be considered for return. Goods which are deemed non-conforming by Seller may be returned provided an RMA number is issued.
